### Medication Administration:

\$4.00 for once a day  
\$6.00 for twice a day  
\$8.00 for three times a day  
Injections are \$5.00 per injection

- Boarding charges are **per calendar day**. Pets picked up before 9am will not be charged for that day of boarding. We require prepayment for all boarding appointments.
- For your pets safety we require proof of vaccination performed by a licensed veterinarian. Required vaccinations for Dogs: DAPP, Lepto, Bordetella and Rabies. Cats: FVRCP and Rabies.
- All animals must be examined by a licensed veterinarian within the last year. Pets who are 12 years and older must have been examined by doctor within 6 months and have had a geriatric blood test within the year. If they are not up to date on their vaccines or exam, we'd be happy to perform these during their stay.
- Dogs are walked outside 2-3 times a day. We provide food, water and bedding. You are welcome to bring your pets own food, bedding and toys, however we cannot guarantee that your pet will not damage these items or that that they will be returned.
- At the end of their stay you have the option of having them bathed. The charges range from \$49.75 - \$79.75, depending upon the pet's size. Baths also include ear cleaning and a nail trim.
- We recommend that all animals be on flea and heartworm prevention. If fleas are observed on your pet at any time during their stay, they will receive a flea treatment which costs \$22.95.
